**Company Statement - Covid-19**

Dear Customer,

Following the latest Government guidelines, the nation prepares for a second lockdown starting from today (Thursday 5th November 2020)

We would like to reassure our customers that all of the UKPS branches will remain open and continue to trade as normal during this period.

All of our bathroom showrooms will also remain open, with full PPE and social distancing practices in place. We continue to welcome drop-ins as well as pre-booked appointments if preferred.

We are committed to keeping our employees and customers as safe as possible, working in line with government recommendations to minimise the impact that these extraordinary events are presenting.

We would like to thank you for your help and understanding during this difficult period and sincerely wish that the impact on our customers, their families and their businesses, is minimal.

Let's do what we can to reduce the pressure on the NHS. While this is only for one month (hopefully) a lot can be achieved in this time. Together we can beat this!

Stay Alert and Stay Safe!

Many thanks  
UKPS
