Trading Update

Firstly, we would like to take this opportunity to wish you a Happy New Year and we hope that you, your family and friends, are safe and well.

Following the announcements made by Government yesterday, we wanted to let you know that **we remain open for business**. Our COVID secure operating procedures allow us to remain fully operational at all of the UKPS branches.

- **Our working hours remain the same: Monday to Friday 7.30am - 5.00pm and Saturdays 8.00am - 12pm**
- **We have full stock availability across our core lines.**
- **We are fully stocked with spares.**
- **We continue to deliver to homes and sites, as and when required by our customers.**
- **Our showrooms remain open adhering to strict PPE requirements.**

As a reminder, can we ask that all customers and visitors protect themselves and others by; wearing a face mask at all times whilst on the premises. Use the hand sanitiser stations located at the entrance of each branch. Lastly that you keep your distance of 2mtrs at all times.

We look forward to continuing to serve you safely.

With thanks,
John Mason (Regional Director, UKPS)
